Applications Overview

Customer Experience Improvements

- Main Menu
- Style
- Browser, SMS/MMS
- Camera
- File Viewer

Feature Summary

Ocean 2 is Helio by Virgin Mobile's next generation flagship personal communication device featuring upgrades to Ocean in every category including a larger display, improved multimedia capabilities, usability, and performance.

Feature Summary

Key Differentiators

- Big 2.6" QVGA LCD Screen
- Full background music play along with 3.5mm ear-jack
- Industrial design improvement with Mercury concept
- Analog scroll functionality through optical sensor
- Updated Helio User Interface with new Helio main menu

Upgrades from the Ocean

- Integrated Alert management system for email, call events, IM, SMS/MMS
- 512mb External Memory card bundles with Device
- Turn by turn navigation, GPS enabled Google map
- Microsoft mail for Exchange (MME) support for full outlook calendar, contact, and email sync
- Ultimate Inbox with integrated Email and IM from all leading Portals (Yahoo, AOL, MSN, Google)
- Buddy Beacon 2.0 with increased performance, User Interface, and the ability to connect with non-Helio members
- Community Applications, including YouTube, MySpace, and Facebook

Ocean 2 Positioning

- English and Korean Language Support

TECHNICAL SPECIFICATIONS

- Digital Dual-Band: EVDO, Digital Only; CDMA 1x EVDO: 800, 1900 MHz
- Dimensions: 4.65" x 2.28" x 0.81"
- Weight: 167g
- Display: 2.6-inch QVGA 240 X 320 Pixels, 260 TFT Color
- Standard Battery: 3.7 Volt Lithium Poly, 1320mAh
- Talk Time: 323 mins
- Standby Time: 7 days

HELIO SERVICES

- Ultimate Inbox
- Mail for Microsoft Exchange
- HelioUp with Flickr and YouTube Integration
- MySpace Application
- YouTube Application
- Answer Rings
- Music on Demand Service
- Video Service
- Rings, VideoRings, and Screens Services
- Helio File Viewer
- Google™ Maps (GPS-Enabled)
- TellMe Voice-Activated Local Search (GPS-Enabled)
- Buddy Beacon™ 2.0 (GPS-Enabled)
- Garmin Navigation (GPS-Enabled)

MEMORY

- 133 MB Internal Memory
- External memory Mass storage through MTP
- Up to 2GB of External Memory (MicroSD)

CALL MANAGEMENT AND SERVICES

- Picture Caller ID
- Voicemail
- Caller ID
- Call Forwarding
- Call Waiting
- Three-Way Calling

ACCESSORIES

- Car charger
- Holster
- Holster carrying changing
- Stereo Bluetooth handset (Ocean 1)
- Mono bluetooth handset (Ocean 1)
- MicroSD (Ocean 1)

STANDARD IN-BOX PACKAGE

- Device
- 512 MB microSD
- Standard Lithium Poly Battery
- User Guide (CD)
- Travel Charger
- Charging Data Cable
- Stereo Hands-Free Headset
- Charm
- Quick Start Guide
- Helio Referral Card
- Health and Safety Guide

Function Keys

Function Keys (continued)

- (1) **Download Store key** - Press to access Helio Store.
- (2) **Display Indicators** - See page 12 for a list of icons.
- (3) **Text & Graphic area**

Applications Overview

Applications

Google Maps Mobile

The best GPS experience patented “Sequential GPS method” which allows fast and most accurate location fix

Buddy Beacon

Helio continues to expand its initial friend finder application, with Buddy Beacon 2.0

Browser

Helio's browsing experience provides a PC-like web browsing experience with full HTML capabilities

Search

Helio has built the most comprehensive, simplest solution for our members to find what they're looking for

Where

Where enables our members to find relevant local information

Ultimate Inbox

All your Text & Pic messages, Email, and Instant Messaging (IM) in one place

Mail for Microsoft Exchange

Our members have the ability to wirelessly synchronize their Microsoft Office Outlook Email, Calendar, and Contacts from a Microsoft Exchange Server Free!

Helio File Viewer

Our improved file viewer allows members to take their important business files on the go

Helios Video Service

Thousands of music downloads as well as newly available movie clips

Illustrative Purposes Only

Illustrative Purposes Only

Applications (continued)

YouTube

Helio has delivered the best and most complete mobile YouTube experience

HelioUP/Album and SNAP

A publishing platform for user generated content captured on a Helio device

Social Networking

Keep track of all your friends' activities across multiple popular social networking and media sharing sites through a single interface

Music-on-Demand

Helio delivers the richest mobile music discovery and download experience in the market

Connected Media Player

The Helio Media Player offers flexible music/video playback and management

Helio Player Desktop Solution

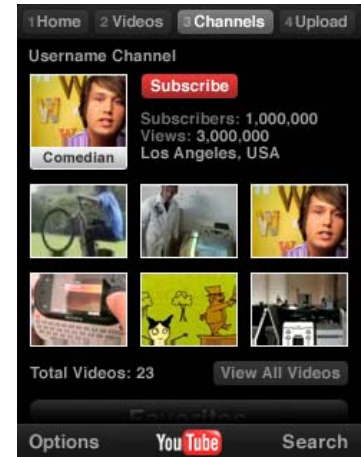

Manager your favorite songs, videos and pics from your PC and transfer to your device

Helio Games

Helio continues to deliver on the richest mobile gaming experiences in the industry

Garmin Mobile

Helio provides this great premium Garmin Mobile subscription application for best-in-class navigation solution

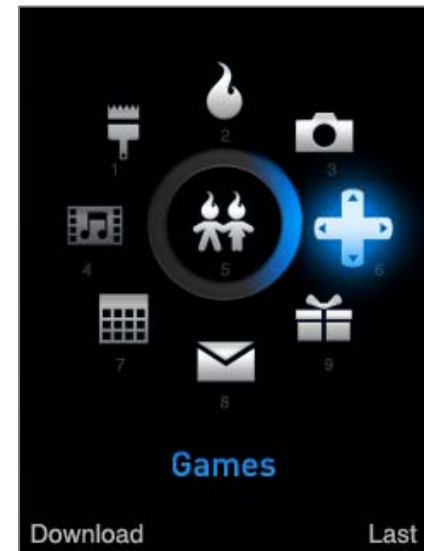

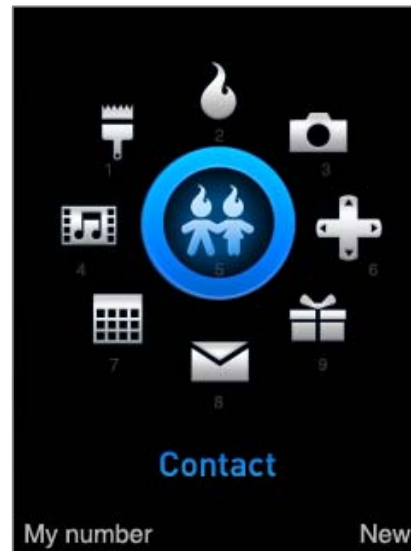

Illustrative Purposes Only

Customer Experience Improvements

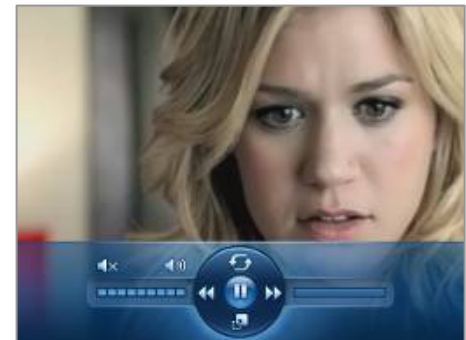

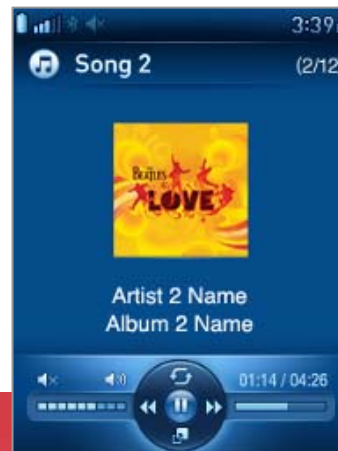

Main Menu Improvements

- Main menu redesigned with Flash in line with Helio graphical user interface style guide incorporating more organic movement and lighting effects to create greater user experience.

Style Improvements

- Enhanced graphical user interface across all of Ocean 2
- One-for-one asset swap to improve consistency and visual appeal across OEM and application menu

Browser, SMS/MMS Improvements

- Browser: Redesigned user interface for photo and video capture that integrates ways to set wallpaper, connect to Helio up, geotag, send message and browse images.
- SMS/MMS: Support for threaded messaging conversations in SMS and MMS for more immediate communication.
- Buddy Beacon: Redesigned WAP application for Buddy Beacon reflecting Helio GUI style & functionality.

Camera Improvements

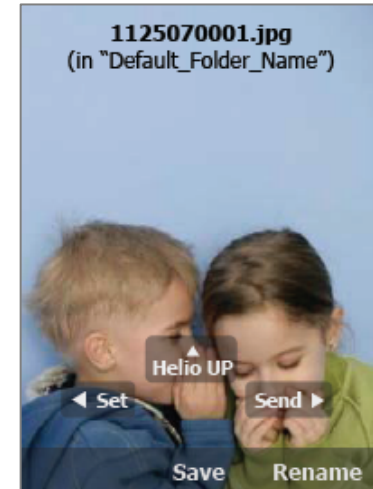

- Improved camera experience with seamless launch options from your screen

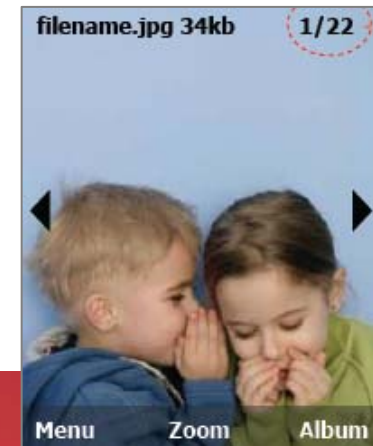

Snap

Record

Post Capture Options

File Viewer Improvements

- Supports paging, zooming and panning allows viewing of Microsoft Office documents (Word, Excel, PowerPoint), PDF, TXT, images (BMP, GIF, JPG, PNG, WMF, EMF) and HTML.
